

**PUBLIC NOTICE TO ALL CUSTOMERS OF
PORT WASHINGTON MUNICIPAL WATER UTILITY**

The Port Washington Municipal Water Utility has filed an application with the Public Service Commission of Wisconsin (PSCW) to increase water rates. The increase is necessary due to a 23% increase in utility plant investment and a 6% increase in operating expenses in the 9 years since the last water rate case in 2008.

The total increase in water revenues requested is \$116,817 which will result in an estimated overall rate increase of 5% over the water utility's present revenues. If the request is granted, the water bill for general service and public fire protection service for an average residential customer with a $\frac{5}{8}$ -inch or $\frac{3}{4}$ -inch meter who uses 900 cubic feet of water bimonthly will increase from \$63.53 to \$66.06, or 4%.

A telephonic public hearing on the application has been scheduled for Tuesday, July 18, 2017, at 10:00 a.m. in the Lower Level Conference Room at the Port Washington City Hall, 100 West Grand Avenue, Port Washington, Wisconsin. Scheduling questions regarding this hearing may be directed to the PSCW at (608) 266-3766.
