## Message From the Mayor
## http://cityofportwashington.com/mayor.html

Dear City Residents:

HAPPY SPRING! While winter along the lake can indeed be very beautiful, there is something about the sun and winds turning warmer and the colors becoming more vibrant that does inspire such a sense of new hope.

**Vibrant.** Beyond being a great adjective for the colors of spring and summer, it is also a great adjective for our City of Port Washington these days. As I hear often in meetings and conversations with people based locally and throughout our state, "Port is clearly a city on the move." Indeed, we are and we've all contributed in that movement!

This spring and summer will be no different. There is so much happening and so much to celebrate! Here are just a few of the exciting things occurring in the very near future:

- The Historical Society's **Port Exploreum** opens its doors in just a few weeks. The Exploreum represents a nearly $3 million community-wide investment and will celebrate our city's very proud maritime past and local history while engaging visitors in its present and future.
- Thanks to the work of our partners at Ozaukee County Mountain Bike Club, **our two-mile multi-use offroad trail connected to the Interurban Trail will re-open** (weather permitting) very soon. These will provide more outdoor recreational opportunities (biking, hiking, running) for residents and visitors.
- In June, we will officially dedicate our **Memorial Pavilion out on Coal Dock Park** in time for summer use.
- Our **North Beach Public Access Improvement**

will install **new way-finding signage throughout the city**, highlighting major destination points and incorporating our city brand.
- The Army Corps of Engineers will arrive in late July for **two months of work on the north breakwater, launching another $1.5 million in outside investments** we've collectively procured.

So, lots to celebrate and lots for us to do. And, you can help! I have always believed and advocated we can all make a difference. we are now seeing that difference with the efforts of the hundreds of talented and dedicated volunteers who are working on our various committees, boards, teams, and commissions. Will you please consider joining us? If you're interested, please e-mail me at mladaforportmayor@gmail.com.

Please stay engaged, and keep sharing your ideas and asking questions.
Visit our City website (www.cityofportwashington.com); "like" us on Facebook(www.facebook.com/CityofPortWashingtonWI); Check us out on Instagram (www.Instagram.com/cityofportwashington.com); or even follow me on Twitter (www.twitter.com/PWMayor). And, if you've yet to sign up for our city e-Newsletter, please do so and encourage others to do the same. It's free, safe, easy and enables us to communicate more effectively with you. **You can do so via the "E-mail sign-up" link in the right-hand column on the home page of our city website.**

Once more, THANK YOU for continuing to make us Your Home Port! Enjoy a wonderful spring.

Tom Mlada
Mayor - City of Port Washington

## CITY CLERK OFFICE-ELECTION UPDATE
**http://cityofportwashington.com/elections.html**

**2015 Spring Election Results**
The average voter turn-out in the City of Port Washington for the April 7th election was 40%.

Re-elected to their positions, City Mayor Tom Mlada, Alderman District 1- Mike Ehrlich,

Ward 5- 508 Ward 6- 319 Ward 7- 492

**2016 Election Cycle**
If you move to a different address or change last names you will need to re-register before the election or on Election Day with Proof of Residency. Updated Photo ID requirements will be coming for 2016 and what will be required of the voter, stay tuned.

## DEPARTMENT OF PUBLIC WORKS
**http://cityofportwashington.com/publicworks.html**

### 2015 SIDEWALK MAINTENANCE

In 2014, the City budgeted for $10,000 in sidewalk repairs. The majority of this work will be performed on Whitefish Rd., east of Wisconsin St., and on Michigan St. If you live on these streets and have a sidewalk marked with a white "O" and a number, the sidewalk will be removed and replaced. This is part of the City's ongoing maintenance program of sidewalks on an area by area basis. The cost of this work will be paid through the City's capital improvement fund and will NOT be specially assessed to the homeowners. Work will be performed in spring of 2015.

### 2015 LAKEFRONT IMPROVMENTS

The North Beach Public Access Improvements are currently underway, and the new path is scheduled to be open by Memorial Day. Until then, to access North Beach, please use the stairs from Upper Lake Park. Both paths around the wastewater treatment plant as well as the parking lot are closed during construction. If you are interested in more information on this topic, please contact City Engineer Rob Vanden Noven at rvandennoven@ci.port-washington.wi.us,

### STORM WATER MANAGEMENT AND TREES

Most people know that trees provide beauty, shade, and oxygen, but did you know that they also help protect our streams and lakes? Trees intercept, slow, filter, and absorb storm water - water that would otherwise run off into storm sewers, lakes, and streams. Planting trees, maintaining green space and reducing impervious surfaces such as asphalt and concrete can reduce local flooding, soil erosion, and thermal and chemical pollution of surface water. Tree planting isn't just about beautification; it is about making a sound investment in the environmental health of our community!

## FIRE DEPARTMENT
**http://www.pwfd.org/**

### CHARCOAL AND GAS GRILL SAFETY

Good weather means it is time to dust off the barbeque grills and start cooking out again. Everyone is reminded to use caution when using either type of barbeque grill, charcoal or gas. The following guidelines are offered for safe outdoor cooking:

combustible construction. The grill should never be up against the house when in use.

3. Never use a grill inside a closed garage. Carbon monoxide is a product of burning gas or charcoal and grills must have adequate ventilation for safe use.

4. Do not allow children to operate grills or play near grills that are being used.

5. Shut off the gas supply if the flames get out of control or in an emergency.

6. If you suspect a gas or propane leak, or smell unburned gas, shut off the gas supply immediately and have the grill inspected. Make sure the gas connection is not cross-threaded and that the connection is tight.

7. Propane tanks should be stored in well-ventilated and shaded areas. Leaving a tank in direct sunlight may cause the relief valve on the tank to activate (loud hissing sound).

8. The use or storage of charcoal, electric, or gas grills on balconies of multi-family dwellings, apartments, or condominiums is prohibited by State of Wisconsin law.

**SEVERE WEATHER REMINDER**

Tune in your radio or television news station for information on severe weather alerts when the skies look threatening. The National Weather Service tracks all weather systems with sophisticated radar, which provides early warning of violent weather conditions. Remember, a ***TORNADO WATCH*** means conditions are favorable for the formation of tornados. When a watch is issued, listen to broadcast advisories and be ready to take cover. A ***TORNADO WARNING*** means that a tornado has actually been sighted in the Ozaukee County area and you should take cover immediately. The City of Port Washington has a warning / siren system that is sounded in the event of a ***TORNADO WARNING***. That system is tested every Saturday at 1:00 p.m.

Day and the calendar week in which May 15th falls, as National Police Week. Established by a joint resolution of Congress in 1962, National Police Week pays special recognition to those law enforcement officers who have lost their lives in the line of duty for the safety and protection of others.

In recognition of National Peace Officers Memorial Day and National Police Week, the Port Washington Police Department will host a Police Memorial ceremony at Veteran's Park (Lower Lake Park) in Port Washington beginning at 12:00 noon on May 13th.

On May 13th, Tello's Restaurant will donate 10% of all purchases made that day to Concerns of Police Survivors, Inc. (C.O.P.S.). All funds raised will go to assist the families of fallen officers. Plan now to dine at Tello's Restaurant with your family on May 13th.

**Safety Town 2015 - It's Just Around the Corner!**
The program is open to children who will be starting kindergarten in the fall of 2015. Safety Town will be held June 8th-12th and 15th-19th at Dunwiddie Elementary School in Port Washington at 8:00 a.m.-10:00 a.m. and 10:30 a.m.-12:30 p.m. Contact Brad LeDuc of the Port Washington Kiwanis Club at leducfam@sbcglobal.net for more information. To obtain a Safety Town student application go to: http://pwssafetytown.weebly.com //uploads/1/2/5/6/12568501/safety_town_app_2015.doc

**Don't Forget Your Bike Helmet!**
The City of Port Washington requires that every person less than 16 years of age operating or riding on a bicycle on a public roadway, public sidewalk, public bicycle path or any other public right-of-way under the jurisdiction and control of the City shall wear a protective helmet designed for bicycle safety, violators will be issued a citation.

**Mark Your Calendar NOW for the 2015 Bicycle Rodeo**
Conducted on Wednesday, June 24th, 2015 at Lincoln Elementary School, located at 1325 Theis Lane, in Port Washington. Held from 12:30 p.m. to 3:30 p.m. For additional information, contact Lieutenant Tom Barbuch or Officer Jason Bergin of the Port Washington Police Department at 262-284-2611.

**BE ON THE LOOKOUT FOR BICYCLES & PEDESTRIANS**
Be extra aware of pedestrians and bicyclists, especially throughout the warm weather months. Pedestrians and bicyclists have the right-of-way when crossing a roadway within a marked or unmarked crosswalk.
Pedestrians and bicyclists are reminded that sudden pedestrian movement into traffic or the path of a vehicle is dangerous and prohibited. Bicyclists are reminded to obey all traffic laws.

greatly reduce the opportunity. The Police Department, in a continuing effort to deter criminal activity, suggests the following:

- Decrease the opportunity for theft by simply locking your vehicle.
- Remove expensive items from your vehicle and secure them in your house.
- Exterior lighting and motion sensors in your driveway may also help to deter any thefts or acts of criminal mischief.

Please remember to immediately report all suspicious activity to the Port Washington Police Department by dialing 9-1-1.

**WHAT YOU NEED TO KNOW ABOUT DRUNK DRIVING IN WISCONSIN**

The Law: It is illegal in Wisconsin for a driver over the age of 21 to operate a motor vehicle:

- With a Blood/Breath Alcohol Concentration(BAC) of 0.08 or greater;
- While under the influence of an intoxicant;
- With a detectable amount of a restricted controlled substance in his or her blood; or
- While under the influence of a controlled substance or any other drug.

For drivers with three or more prior Operating While Intoxicated (OWI) convictions, the limit is lower: they cannot operate a motor vehicle if their BAC is greater than 0.02.

Definition: Under the Influence - When his or her ability to operate a motor vehicle is impaired if he or she is less able to safely control the vehicle because of the consumption of alcohol or controlled substances.

Penalties: Range from a forfeiture and license revocation for a first offense, to up to six years imprisonment, three year license revocation and possible seizure of vehicles for subsequent offenses.

Scope of the Problem:

- 33,579 people were arrested for Operating While Intoxicated (OWI) in Wisconsin in 2012, including 385 who were underage.
- 4,978 drinking drivers were involved in Wisconsin crashes in 2012. Of those, 455 were under the age of 21 and 4,510 were 21 or older.
- The median alcohol concentration test result for 2012 OWI citations was 0.17 BAC.
- In 2014 the Port Washington Police Department arrested 51 adults for OWI.

Entirely preventable:

- Choose a sober designated driver before you start drinking.
- If you're feeling buzzed, you likely are over the 0.08 limit and should not drive.
- Call for a taxicab or ask a sober friend to drive you home.
- Save a life - don't let your friends drive drunk.

Wisconsin due to motor vehicle crashes.

- In 2012 alcohol-related crashes accounted for more than $11 million in hospital charges alone.

Alcohol Concentration
Even at an Alcohol Content (AC) level as low as 0.04%, alcohol in your blood system affects driving ability and crash likelihood, according to Special Report 216, "Zero Alcohol" by the Transportation Research Board.
Alcohol-related crashes in Wisconsin are much more likely to involve men than women.

- Among fatally injured male drivers in the year 2012, 34% of those tested had AC's of 0.08% or more and women tested for .08 or above were 19%.
- Men, ages 21-24, are the most likely drivers to be killed in a crash when their blood alcohol content is above 0.08.

The Bottom Line
The Port Washington Police Department takes a very aggressive enforcement stance on drunken driving and reminds you, if you have been drinking and choose to drive, you will be arrested!

## DEPARTMENT OF BUILDING INSPECTION

**http://cityofportwashington.com/buildingInspection.html**

**May is Building Safety Month**

Building Safety Month in May is celebrated annually to help individuals, families, and businesses learn how to create and maintain safe, sustainable, and resilient homes and buildings. This year's theme is Resilient Communities Start with Building Codes. Each week in May will spotlight a specific area of building safety.

- Week One - Don't Get Burned - Build to Code
- Week Two - Bounce Back Faster from Disaster - Build to Code
- Week Three - Water Safe, Water Smart - Build to Code

**Building Permits**

As the weather gets warmer many people begin working on home projects they've been thinking about during the winter. Sometimes there are questions about what projects require a permit and/or review from the Department of Building Inspection. Some of the most common projects which require permits are:

- Central air conditioners
- Decks
- Driveways and parking slabs
- Fences
- Furnaces
- Garages
- Hot tubs
- Interior alterations
- Roof shingle replacement
- Siding replacement
- Window replacement

## PARK & RECREATION DEPARTMENT
**http://portparkandrec.com/**

**New!! Ozaukee County SuperPass:** Fee for Residents in addition to Season Pass: Individual: $15 Family: $30 Fee for Non-Residents in addition to Season Pass: Individual: $25 Family: $45

**Summer Brochure:** Available online at www.portparkandrec.com. "Hard" copies will be offered at the Neiderkorn Library, City Hall, the Senior Center, BMO Harris Bank and Port Washington State Bank.

**Possibility Playground**: We are asking that groups pre-register with our office so as not to overload the Park and Playground. We are posting our summer rental schedule for all parks on the Parks & Recreation Dept. website.

## CITY TREASURER OFFICE
**http://cityofportwashington.com/treasurer.html**

### 1) REAL ESTATE TAXES DUE

The second installment due by **July 31, 2015**. Make your check payable and mail to:

**Ozaukee County Treasurer**
**121 W. Main St.**
**P.O. Box 994**
**Port Washington, WI 53074-0994**

Please contact the County Treasurer's office at 284-8280 with any questions.

### 2) ELINQUENT WATER & SEWER ACCOUNTS

Please include your bi-monthly water bill in your personal and family budget planning for 2015. Keeping your water bill current eliminates the undesirable additional expense of interest and penalties being added to your account balance.

Water bills are always due by the 25th of the month issued and payments may be mailed or dropped off to:

**City of Port Washington**
**100 W. Grand Ave.**
**PO Box 307**
**Port Washington, WI 53074-0307**

A yellow drop box located at the back entrance to City Hall is also provided for your convenience and is available for your use 24 hours a day.

On-line bill pay for your water and sewer account is coming soon! Check your upcoming water bills and cityofportwashington.com for details.

Landlords: Delinquent tenant reminders are sent out two weeks after each billing due date and you are welcome to contact the Water Billing Department any time at 284-5585 for a review of your tenant accounts.

## CITY OFFICIALS
