Message From the Mayor
http://cityofportwashington.com/mayor.html

Dear City Residents:
I write this to you as we move into the heart of Summer in our great City of Port Washington. The 4th of July holiday has passed, and the parade, family activities, and fireworks were once again a huge hit. In a few short days, we will celebrate the 51st Anniversary of Fish Day, our iconic city festival that highlights the special historical and cultural role we've played as a proud Lake Michigan community. As always, the Summer months are busy and festive and memorable ones in "Our Home Port!"

This year, we've had an additional very unique and special opportunity to celebrate: our city's partnership with Discovery World Science & Technology Center in the City of Milwaukee, enabling us to welcome the tall ship S/V Denis Sullivan for three scheduled Summer visits (with a fourth engagement in September likely to be added soon!).
The Denis Sullivan is the world's only recreation of a 19th century three-masted Great Lakes schooner that offers sails to the general public. And, our city's partnership with Discovery World, bringing that amazing tall ship asset to ports other than Milwaukee for numerous engagements, is the first-of-its-kind for the organization, a true testament to our ability to advance such mutually-beneficial regional partnerships - and leverage them as opportunities to positively impact our city's economy. I believe Joel Brennan, president and CEO of Discovery World Science & Technology Center, captured it best in our shared announcement about the partnership when he declared: "It's an opportune time right now for this partnership because there's so much happening in Port." Indeed - and of that we ought to all be

very proud, as we all have had a role in making our great city even greater these past several years!
For a full listing of deck tour and sail opportunities in Port Washington and to reserve a seat, individuals can book online via the Discovery World website at: http://www.discoveryworld.org/exhibits/sailing-vessel-denis-sullivan/sails-in-port-washington/. Special "Family Sails" are also available on certain dates, and discounts for Seniors, Veterans and Active-Duty Military are being offered; to purchase or learn more, please call Reservations at (414) 765-8625.

And finally, we continue to have much to celebrate about our business partners who call our great city "their home Port." Once again in 2015, Milwaukee Journal-Sentinel's "Top Workplaces" list honored three City of Port Washington Businesses - Ansay & Associates, Molded Dimensions, and Port Washington State Bank. No other community in Ozaukee County had more than one business on that list. And just last year, we celebrated Ansay & Associates as the "Large Business of the Year" in Ozaukee County - and Modern Equipment as a finalist. So many other companies who call Port home are making significant investments in themselves, their employees, and our city - and their substantial and continued investment in our community is making a difference. Businesses of all sizes in all areas and in all sectors throughout our city are succeeding and partnering with us, and thus are playing a critical role in our city's economic development efforts. Again, something for us all to celebrate and be very proud!

Tom Mlada
Mayor - City of Port Washington

WHATS NEW IN THE CITY

New! Live Streaming!
Live streaming is now available for meetings that are normally only available on Time Warner Cable Channel 25. Also, you can watch Cable Channel 25 at any time and St. Mary's Sunday Masses are available for viewing on Sundays, Mondays and Wednesdays at 11:00 a.m.

Currently, only Common Council and Plan Commission meetings are available for live streaming.

Just a reminder -
Please check our City's website: http://www.cityofportwashington.com /boardsCommitteesCommissions.html for dates and times. Also, you can access past meeting videos by visiting our Meeting Video Archive.

CITY CLERK OFFICE-ELECTION UPDATE
http://cityofportwashington.com/elections.html

2015- 2016 ELECTION UPDATES

In July Notice Of Suspension Of Registration postcards were mailed out by the Wisconsin Government Accountability Board to voters who registered on or before December 31, 2010, and who did not have a vote recorded from January 1, 2011, through the 2015 Spring Election. This is part of a 4-Year Voter Maintenance program that is conducted every two years following a General Election. If you received this postcard in the mail and want to continue your registration at the address you reside at on the postcard, you must sign, date and return that postcard to the City Clerk. Voters whose postcards are not returned or come back from the Post Office as Undeliverable will be removed from the voter list and poll book. In that case a re-registration with Proof of Residency will be necessary before voting at the next election.

As a voter you can be pro-active well in advance of the 2016 Presidential Election year and make sure that you are currently registered. If you've changed your address or last name since you last voted, a new registration is required. You can check on your current voter registration status by going to http://myvote.wi.gov or by contacting the City Clerk at 262-284-5585. If you need to register or re-register, Proof of Residency is required and those document options can be found on our website at www.cityofportwashington.wi.us

2016 being a Presidential Election year will be very busy from start to finish. The happiest voters are those that are most prepared and well educated on the current ballot, election procedures and laws. There have been recent changes in election legislation and we anticipate more to come again this fall. Stay informed on those changes by going to http://gab.wi.gov or contacting the City Clerk at 262-284-5585.

Photo ID is back, and will be in effect for the 2016 elections. Stay tuned to how that will impact you on Election Day and for Absentee Voting whether by mail or in-person.

DEPARTMENT OF PUBLIC WORKS
http://cityofportwashington.com/publicworks.html

Street Department Yard
Street Department yard is open from Thursday, April 2, 2015 to Saturday, December 5, 2015. The Street Yard accepts leaves, grass clippings, garden waste and other materials. These materials may also be disposed of at the Street Department yard during the following hours of operation:
The hours of operation are as follows:

Tuesdays and Thursdays	3:00 p.m. - 6:00 p.m.
Saturdays	10:00 a.m. - 4:00 p.m.

The Street Department Yard will close for the season on Saturday, December 5, 2015.

Leaf Pickup
The raking of leaves only into the street is allowed beginning on October 1st, until November 23rd. Raking of grass, garden waste, and other materials into the street is not permitted at any time.
The last day of operation at the Street Department yard for 2015 will be December 5th.

Brush Pickup

Brush collection is made weekly from May 18 - August 28, and bi-weekly from September 8 - October 23. Brush will be accepted at the Street Yard from October 24 - December 5. Brush shall consist of all "woody" material, maximum 8 inches in diameter. Place brush (cut ends with the flow of traffic) at roadside. Brush and logs cut by a contractor must be disposed of by the contractor.

Leaves may be raked into the street October 1st - November 23rd only.

The last day of curbside brush pickup for the year will be October 23rd. Brush pick up will resume in April 2016.

Reporting Street Light Outage

To report a street light outage please call **(262) 284-2600** or email j**klumb@ci.port-washington.wi.us**. Please include the street address and the pole number that is located near the bottom of the pole on an aluminum tag.

FIRE DEPARTMENT

http://www.pwfd.org/

Fire Department Open House & Fire Prevention Week 2015

The Port Washington Fire Department invites residents to attend our Annual Open House, Sunday October 4, 2015. The Open House will be held between 9:00 a.m. to 1:00 p.m. at the fire station located at 104 W. Washington Street. Sparky will be on hand to greet everyone and there will be plenty to see and do. Fire extinguisher demonstrations, equipment displays, fire truck rides, and fire station tours are just some of the activities planned. Also, door prizes will be given away, including a "Ride To School in a Fire Truck" prize.

The theme for Fire Prevention Week 2015 is: "HEAR THE BEEP WHERE YOU SLEEP". This year's campaign is designed to remind people that every bedroom needs a working smoke alarm.

Fire Pits and Outdoor Fireplaces

The fire department receives numerous inquiries regarding the use of outdoor fire pits or fireplaces. For clarity, a "fire pit" includes belowground pits, freestanding fireplaces, and portable devices intended to contain and control outdoor fires.

All belowground fire pits shall be at least four inches in depth and shall be surrounded on the outside, aboveground, by a non-combustible material such as steel, brick, or masonry. The fire pit cannot exceed three feet in diameter, nor may the fire pile exceed two feet in height.

Fire pits may be used in accordance with the manufacturer's specifications and these regulations:

- Only natural firewood/commercial logs may be burned.
    - Burning of lumber, pallets, scrap wood, tree trimmings, leaves, yard waste, paper, cardboard, garbage and similar items is not permitted.
- All fire pits must be located away from any structure or combustible material.

- Below ground fire pits and freestanding fireplaces must be located a minimum of 25 feet away from any structure or combustible material.
- Portable fire pits must be located a minimum of 15 feet away from any structure or combustible material.

- The fire must be constantly attended and supervised until the fire has been completely extinguished.

A portable fire extinguisher or other approved extinguishing equipment, such as a garden hose, must be readily available.

ADULT COMMUNITY SENIOR CENTER

Thursday, September 10th @ 8:15 am- West Side Story at the Fireside Cost: $89

POLICE DEPARTMENT
http://www.pwpd.org/

OPEN INTOXICANTS
The Port Washington Police Department wants you to enjoy outdoor summertime activities to the fullest. However, a reminder that the possession or consumption of open intoxicants on a public way is strictly prohibited within the city unless the public way or public area has been specifically designated or posted as to permit such activity.

FIREWORKS
For your safety and that of the community, the possession and/or discharge of fireworks is strictly prohibited within the City of Port Washington.

WATCH FOR BICYCLES & PEDESTRIANS
Along with summer weather, there's an increase in all types of warm weather outdoor activities. The Port Washington Police Department reminds you to be extra aware of both pedestrians and bicyclists especially throughout the warm weather months. Remember, as a general rule pedestrians and bicyclists have the right-of-way when crossing a roadway within a marked or unmarked crosswalk.

Pedestrians and bicyclists are reminded that sudden pedestrian movement into traffic or the path of a vehicle is dangerous and prohibited. Bicyclists are considered vehicles in Wisconsin. Bicyclists are reminded to obey all traffic laws.

BICYCLE HELMETS REQUIRED
The Police Department reminds parents that the City of Port Washington requires that every person less than 16 years of age operating or riding on a bicycle on a public roadway, public sidewalk, public bicycle path or any other public right-of-way under the jurisdiction and control of the City must wear a protective helmet designed for bicycle safety.

The Department encourages everyone who rides a bike to wear a helmet, while challenging adults in the community to set an example by wearing an approved helmet whenever riding a bike. PARENTS - Please make sure that your children are wearing a properly fitted, fastened and approved bicycle helmet whenever they're riding their bikes . . . Safety is everyone's responsibility!

- Bicycles are to be registered and all bicyclists are to obey all WI traffic laws. http://www.dot.wisconsin.gov/safety/vehicle/bicycle/rules.htm
- All persons under the age of 16 operating or riding upon a bicycle or seated in an auxiliary child's seat or trailer designed to be pulled behind a bicycle must wear an approved helmet.

Things You Need To Know But Never Thought To Ask!

Animals:

- The City of Port Washington requires all dogs and cats kept in the city to be licensed and vaccinated. Dogs must be vaccinated against rabies. Dogs and cats when anywhere other than on the owner's property must be leashed or confined within a fenced enclosure.
- Vicious dogs are prohibited. Dog bites must be reported. Barking dogs that continuously bark or create a disturbance are prohibited.
- There is a limit of no more than 2 dogs and 2 cats per household within the city.
- Animal owners are required to have with them a "pooper-scooper", bag, etc. with which to immediately pick-up and properly dispose of fecal material deposited by their animal on any public or private property, other than the premises of the animal owner.
- With the exception of service animals and police dogs, animals are not allowed on any public grounds or public way designated for use as part of a public festival held within the city.

Open Fires: Open fires are prohibited within the city limits.

Parking:

- Parking on state highways (Hwy 32 and 33) within the city is prohibited between 2:00 a.m. and 6:00 a.m.
- Parking of commercial vehicles in districts zoned as residential is prohibited.
- Parking of camping trailers, recreational vehicles, trailers, buses or school buses on city streets for a period exceeding 4 days, whether consecutive or aggregate, per month is prohibited.

For a detailed listing of city ordinances go to:
http://www.ci.port-washington.wi.us/MunicipalCodes/Index.htm

BACK TO SCHOOL SAFETY REMINDERS

The school year officially begins on Tuesday, September 1st, 2015. So . . . here's an early reminder to everyone regarding traffic laws designed to protect children and students. The Port Washington Police Department asks that you drive safely throughout the city at all times, but reminds you to always be especially observant when approaching or traveling through school zones.

- Take special notice of parking restrictions posted near schools.

Parking restrictions are meant to enhance pedestrian safety (yours and your child's) in the vicinity of the school. Please obey the restrictions!

- Reduce your speed around school properties and especially in the posted school zones.

Remember, children are children, not young adults. It's important to understand children's limitations in understanding traffic.
Specifically, children:

- Have a narrower field of vision than adults, about 1/3 less.
- Cannot easily judge a car's speed and distance.
- Assume that if they can see a car, its driver must be able to see them. However, children are easily hidden from view by parked cars and other objects.
- Cannot readily tell the direction a sound is coming from.
- May be impatient and impulsive.
- Concentrate on only one thing at a time. This is likely not to be traffic.
- Have a limited sense of danger.
- Often mix fantasy with reality.
- Imitate the (often bad) behavior of others, especially older children and adults.
- Watch for and obey adult school crossing guards and their signals. They're protecting our children!

Wisconsin law requires every operator of a motor vehicle approaching a school crossing which is controlled by an adult school crossing guard to follow the directions of the school crossing guard. If directed by the school crossing guard to stop, the operator must stop the vehicle not less than 10 feet or more than 30 feet from the school crossing and shall remain stopped until the school crossing guard directs the operator to proceed.

Remember; be mindful of speed limits, school zones and crossing guards. Take an extra moment in reaching your destination by slowing down and watching out for children so they too may reach their destination safely. We'll all benefit as a result!

POLICE DEPARTMENT OPEN HOUSE - Mark Your Calendars!

The Port Washington Police Department will host an open house on Sunday, October 4th from 9:00 a.m. to 1:00 p.m. The event will coincide with Port Washington Fire Department's open house and pancake breakfast, right next door!

The open house will include guided tours of the police department facility, opportunities to inspect police vehicles and equipment, including our propane-fueled squad cars and the Ozaukee County Sheriff Department's mobile command post. The Wisconsin Department of Transportation's Rollover Convincer will also be on hand, and child fingerprinting kits will be available to parents. Stop by and learn about your police department!

DEPARTMENT OF BUILDING INSPECTION
http://cityofportwashington.com/buildingInspection.html

Is Your Deck Safe?

There have been several deck failures reported in the national news recently which resulted in serious injuries and even fatalities. According to the North American Deck and Railing Association (NADRA) more decks collapse in the summer than any other months. There are 40 million decks in the United States that are over 20 years old. Since the materials used to construct a deck can deteriorate over time it is recommended that

homeowners check the condition of their deck annually. NADRA recommends the following items be checked:

- Check support posts and beams for rot, splitting, or abnormal movement.
- Closely check the attachment points between the house and deck.
- Check all fasteners, bolts, brackets, etc. for rust and corrosion.
- Check all guards and rails to be sure they are sturdy and well secured.
- Use grills, heaters, and outdoor fire pits with care and be sure to observe all rules regarding their use.

If you are considering making repairs to an existing deck or building a new deck, a good source of information is the Prescriptive Residential Wood Deck Construction Guide published by the American Wood Council. This publication can be viewed at www.awc.org/publications/dca/dca6/dca6-09.pdf. If you have any questions regarding deck construction please call the Building Inspection Department at (262)268-4277.

PARK & RECREATION DEPARTMENT
http://portparkandrec.com/

Pirates' Hollow Waterpark

CITY TREASURER OFFICE

http://cityofportwashington.com/treasurer.html

REAL ESTATE TAXES DUE

The second installment of real estate taxes is **due to the Ozaukee County Treasurer by July 31, 2015.** Make your check payable and mail to:

Ozaukee County Treasurer
121 W. Main St.
P.O. Box 994
Port Washington, WI 53074-0994

Please contact the County Treasurer's office at 284-8280 with any questions.

DELINQUENT WATER & SEWER ACCOUNTS

We would like to take the opportunity to remind all city residents to please include your bi-monthly water bill in your personal and family budget planning for 2015. Keeping your water bill current is always your best choice as it eliminates the undesirable additional expense of interest and penalties being added to your account balance.

Payment in full of all delinquent water/sewer account balances is required by **September 30, 2015** to avoid transfer of the delinquent balance and 10% interest to the property tax

bill. Tax roll notices with final deadlines will be mailed to owners and tenants in early October.

Water bills are always **due by the 25th of the month** issued and payments may be mailed or dropped off to:

City of Port Washington
100 W. Grand Ave.
PO Box 307
Port Washington, WI 53074-0307

A yellow drop box located at the back entrance to City Hall is also provided for your convenience and is available for your use 24 hours a day.

On-line bill pay for your water and sewer account is **NOW AVAILABLE!** See the flyer in this newsletter and cityofportwashington.com for details.

Landlords: Delinquent tenant reminders are sent out two weeks after each billing due date and you are welcome to contact the Water Billing Department any time at 284-5585 for a review of your tenant accounts.
