Culver's Fundraising Night

Thank you to all who participated and for the generous donation for the "fun"raiser from Betty Roberts. The total is not yet available.

Ask the Foot Care Nurse

How can I find shoes that fit?

The best way to purchase shoes is to find a shoe store with a "trained shoe fitter". You want someone who knows how to measure your feet and actually fit the shoes to your feet. There are several stores in the SE Wisconsin area who still have shoe fitters.

Check the yellow pages for "shoes- orthopedic dealers" in your area. Call them and ask for a "trained shoe fitter". If they do not have one or do not know what that is, do not use that store. Before you go to the store, call to make sure the "trained shoe fitter" will be there when you arrive. When you get there, make sure you have the shoe fitter help you. Not all of the people who work in the store will be "trained shoe fitters" so request the correct person.

You will generally pay a premium for properly fit shoes but the store will stand behind their

product. They will generally make adjustments or return the shoes if they do not work out.

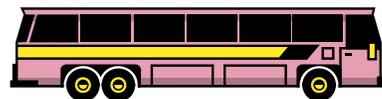

You can go to our web site at www.toenailtrimmersrn.com to check our [Resources page](#) for a partial listing for SE Wisconsin stores with trained shoe fitters.

Training and certification occur in December and January and all resources, support and materials are provided for you. Other characters include a live-in doctor who was once her lover, and a savvy Indian butler. The play includes plenty of comic relief from the mayhem being planned by the family. Come along for the ride and enjoy the plot twists as found in every great murder-mystery.
