Rather than wait until member renewal, we are asking members to stop in or call **to verify emergency contact numbers and home telephone number if using a cell phone.** We have had several reasons to need them and on those occasions discovered land line numbers which no longer are in service! Please help us keep accurate records by verifying these telephone numbers with the office!

Remember the Ozaukee Senior Games are planned for the Center and Community. The Games held at the Senior Center take precedence over regular activities canceling out the weekly event to accommodate the games. Thank you to those members who have registered.

Welcome the new Environmental Maintenance staff, James Lynch and say thank you to Steve Orvis with lunch on June 9! Make a reservation with Jill by Mon. June 8. This is your opportunity to get to know James since he is usually here when the center is not open.
