

CITY OF PORT WASHINGTON | DEPARTMENT OF POLICE
Kevin Hingiss, Chief of Police

The Port Washington Police Department will be offering Civilian Response to Active Shooter Training to the public. The training will be held on April 18, from 1:00 p.m. – 2:30 p.m. and also on April 27, from 6:00 p.m. – 7:30 p.m. in the Police Department Community Room. The content of these classes is the same.

In this training, participants will receive instruction about how to prepare for and respond to being trapped inside a building during an active shooter event. On average it will take law enforcement at least three minutes from the time they are notified before officers first arrive on scene and move to isolate, distract, or neutralize the gunman. Although American law enforcement has the quickest response times in the world, a gunman can still wreak havoc and murder many innocent people before help arrives. There are several simple steps that those trapped by the gunman can take to assist the inevitable law enforcement response and limit the number of potential victims accessible to the shooter.

Port Washington residents will be given preference. If the class limit of 34 attendees is not met, Ozaukee County residents will be accepted. Attendees between the ages of 9 to 17 must be accompanied by a parent or guardian. This training may not be appropriate for anyone younger than 9 years of age.
