

Molded Dimensions, Inc.

custom molder of rubber and cast polyurethane components

OPEN HOUSE

Saturday, May 21

9 am—1 pm

Join us for a factory tour to learn how we manufacture rubber and polyurethane components right here in Port Washington. Please also join us at our GlocalSource warehouse and KM Tooling locations in Grafton.

We are proud to be both woman owned and employee owned. Come find out why we are

***A Place Where Great
People Choose to Work***
