

Volunteer Opportunities at the Port Washington

Adult Community Senior Center

403 West Foster Street

262-284-5821

ckiener@ci.port-washington.wi.us

Youth Opportunities – For students' Ninth grade and up there are opportunities to utilize your computer skills in assisting seniors with technology; or data entry projects. There are other projects seasonally. For more information, contact the Center.

Adults - Utilize your skills and talents to start a new program or facilitate an existing group (games, cards, discussion). There is opportunity to be an office volunteer assisting with registrations, greeting members, and special projects
