Port Washington Community Blood Drive

Tuesday, June 24th
2:00 pm – 7:00 pm

Port Washington Adult Community Senior Center – 403 W Foster St.

Summer is here and blood donations decline when schools are out of session and regular donors are on vacation. Nearly 20 percent of Red Cross blood donations come from high school and college drives. When schools are out during the summer, about half the number of 16- to 24-year-old donors give blood compared to the rest of the year. Please help us make it through the tough summer months by scheduling your appointment today.

Please make your appointment today!
You can schedule your appointment to donate in 2 ways:

1. Click Here to schedule online
2. Call the American Red Cross at 1-800-RED CROSS (1-800-733-2767)
