MEMO TO: Police & Fire Commission

FROM: Kevin Hingiss, Chief

SUBJECT: 2014 ANNUAL REPORT

The Annual Report for the City of Port Washington Police Department covering the period of January 1, 2014, through December 31, 2014, is hereby submitted for your review.

Throughout 2014 the Port Washington Police Department continued to experience change in the areas of personnel, technology, and equipment. We began running the Wisconsin TraCS System to issue citations and traffic warnings. Much of the information is automatically filled in eliminating manual entry by officers. The warnings and citations are then printed by the officer in the squad car.

The department has had at its disposal a Yamaha scooter, which is used for various types of patrol especially in the lakefront area, compliments of Yamaha of Port Washington, Inc. A Can-Am ATV was loaned to the department for summer beach patrol by Cedar Creek Motor Sports.

The police motorcycle patrol was re-instituted with the assistance of a state grant, enabling us to outfit our 2007 Harley Davidson motorcycle with a Panasonic Toughbook computer and printer. We also upgraded emergency lighting for increased visibility/safety. The police motorcycle is used for special events, escorts, funerals, and traffic enforcement. The motorcycle also offers a special benefit of being able to patrol the city bike path. Officer Daniel Wolff is specially trained in motorcycle operation through Northwestern University and receives refresher training annually.

In 2014, the Port Washington Lions Club generously donated funds for Green Bay Packer football cards for distribution to the children in the community. The Packer football card program continues to be very popular with the children. Unfortunately, the Milwaukee Brewers did not offer a baseball card program in 2013 or 2014. We also offered two "Ride to School in a Patrol Car" certificates for various fund-raising events.

Mid-Moraine Municipal Court continues to be a valuable asset for the City of Port Washington. All ordinance violation cases are efficiently handled by municipal court and help to improve the quality of life in our community. Through the Wisconsin TraCS System, citations issued by officers are automatically transmitted to municipal court and to WI Department of Transportation for processing.

The department remains committed to working proactively and in close partnership with the community and its residents. We strive to provide high quality professional and innovative police services to all. The department is dedicated to promoting and maintaining a sense of safety, security, stability, and peace of mind within the City of Port Washington. We strive to be both sensitive and responsive to community challenges and concerns. Our efforts to improve and expand upon our community programs continue. In an effort to strengthen police-student relationships, in 2013 the department assigned an officer part-time to serve as a School Resource Officer (SRO) with the Port Washington/Saukville School District. The SRO's mission is to build working relationships with students, faculty, administration, and parents; address on-site security; combat school violence; and serve as a positive role model for the students. We resumed hosting the Hunter Safety Education Course in 2014.

We are slowly building on a more formalized crime prevention program. Our mission is twofold: to promote citizen participation in the reduction and prevention of crime through education, as well as to provide educational and safety-related programs based on community needs. Officer Steven Footit has been gathering material and ideas and received training through the Southern Police Institute in crime prevention through environmental design as well as training through the Wisconsin Crime Prevention Practitioners (WCPPA).

Eric Leet voluntarily resigned his position as Lieutenant, returning to patrol. Kurt Knowski was promoted to Lieutenant effective April 1, 2014.

We continue to update our Accreditation files to keep them in compliance with accreditation standards. The Port Washington Police Dept. was initially accredited by the Wisconsin Law Enforcement Accreditation Group in July 2010. Re-accreditation took place in September 2013.

I am grateful for the cooperation and support the Commission has given me and the trust and confidence you have placed in this department and its officers.

OUR MISSION

The mission of the Port Washington Police Department is to enhance the quality of life in our city by working in partnership with the community, to protect and serve the community's quest for a peaceful and safe existence, with democratic values applied equally to all citizens.

POLICE RESERVE ACTIVITY

Membership

The Port Washington Police Reserves finished out the year with 13 active members. We picked up a couple of new members replacing those who resigned during the year. One of our members resigned after being hired for an LEO position. One of our members has been hired as a State Correctional Officer, but has remained active with the unit. New recruits are welcome and we are constantly looking for recruits who will be active members. We continue to monitor the participation of the members so that we have an active roster from which to fulfill requests for assistance.

The following are the four types of awards that can be presented to members of the unit:

- Years of Service Award: For continuous years of service starting at 5 years and at increments of 5 years.
- Exceptional Community Service Award: For exceptional service to the community and/or the department.
